**REQUEST FOR RECONSIDERATION OF PATENT TERM ADJUSTMENT**

Applicant files this request to give the Office a full opportunity to reconsider the patent term adjustment (PTA) for the above-captioned patent application.

Applicant believes in good faith that the current PTA may not properly account for Applicant Delay. On December 17, 2007, Applicant filed a non-final office action response. On January 2, 2008, Applicant filed a miscellaneous letter and a replacement sheet for Figure 1. Applicant understands the January 2, 2008 filing may be a "supplemental reply" under 37 C.F.R. § 1.704(c)(8). However, the PTA adjustment indicated on PAIR shows no Applicant Delay for the 16 days between December 17, 2007 and January 2, 2008. If the January 2, 2008 filing is indeed a supplemental reply, then Applicant believes in good faith that the PTA should be reduced from 75 to **59** days.

Applicant files this request to give the Office a full opportunity for reconsideration on this point. Applicant believes no fees are due for this request, but authorizes the Office to charge any fees associated with this request to Deposit Account No. 132490.

Date: September 2, 2010
